Support Future Advances in Anaesthesiology!
YOUR COMPANY CAN BECOME A PARTNER OF ESA FOR DIFFERENT TIME SCALES

Both pharmaceutical and medical device companies can become an ESA partner and support the ESA mission and values through educational, research, patient safety, scientific activities and events, including Euroanaesthesia and the Focus meeting.

In return, ESA partner companies have a year-round partnership affiliation with the ESA and get recognition of this support through a defined package.

Sponsoring Euroanaesthesia and the Focus meeting can include:

- Booth at exhibition
- Symposia
- Advertisements
- Sponsorship items (mobile app, lanyards, pens, cups, webcast & livestreaming...)
- Onsite advertising (signage)
- Fellowship

All ESA Partners will receive a variety of benefits:

- Congress related:
  - Prime Booth location
  - Preferred allocation for symposium slots
  - Company logo on Congress website page and mobile app
  - Company logo onsite advertisement at Euroanaesthesia
- Company logo on Homepage ESA website
- Partners meetings in Brussels (1 or 2 per year)
- First right of refusal for other ESA projects

*General note:* in view of the sustainability programme of the ESA, please note that paper advertisements can be replaced by online advertisements.
